

Freelancer Financial Proposal: Front-End Development

Project Title:

Front-End Development for Ali

Financial Breakdown:

1. Initial Setup & Design Layout:

- **Cost:** \$20
- This includes setting up the project, structuring the HTML, CSS, and Bootstrap files, and creating the design layout based on the provided wireframes.
- **Payment:** 20% of the total project cost.

2. Development of Responsive Pages (5-6 pages):

- **Cost:** \$40
- This covers the development of fully responsive pages for mobile, tablet, and desktop, using Bootstrap 5, Flexbox, and Grid. It also includes cross-browser compatibility testing.
- **Payment:** 40% of the total project cost.

3. Final Testing, Optimization & Deployment:

- **Cost:** \$40
- Includes testing the site for performance and responsiveness, optimizing for fast load times, and deploying the final version to the desired server.
- **Payment:** 40% of the total project cost.

Total Project Budget:

\$100

Payment Terms:

- A **50% deposit** is required to begin the project.
- The remaining **50%** will be due upon the completion of the project, after the final approval and delivery of the website.

Sincerely,

Mohamed Sayed

Frontend Developer
